What are these events?

The Icarus Florida UltraFest-Fall is a six day ultra-running festival with a six day race, and 24 hour races occurring on the same course.

The Icarus Florida UltraFest-Spring is a three day running festival complete with 72, 48, 24, and 12 hour races.

What this means for our sponsors is mass exposure!

Held in Snyder Park, on a 1Kilometer course, runners competing in all races will see our sponsor banners approximately 10 times every hour. Additionally, all runners will receive a race packet with sponsor materials, and be given the official race tee shirt with sponsor logos.

Are you interested in promoting your company to this unique group of ultrarunners?

Here are our sponsor levels:
